BUSINESS

Brake Retarder Ordinance – This ordinance is for Route 940. John made the motion to advertise. Todd seconds the motion. Roll Call was yes by all.

Blue Triton Stormwater Agreement – Attny Favreau explained that this was simply a driveway to their tanks. This is an O&M agreement that they agree to maintain this area and the twp has to right to step in if needed. Attny Karpowich has some changes because it does not match the twp ordinances. These will be made and presented for the next twp meeting.

Conditional Use Application – Application was made by Mr. Evancho and Mr. Rose for their Hazle Street property. This will be continued until 8/13 @ 5:30pm.

H&P Payment Request #4 – This is for $18,093.70, this should be their second to last request since the project is nearing completion. John made the motion to approve. Wilson seconds the motion. Roll Call was yes by all.

Shredding Event – Brittany explained that there was interest in having a shredding event, therefore one is planned for Saturday July 19th from 9-12 pm. This is a free event, but it is limited to 3 boxes per car.

LSA Grant Application Discussion – Brittany stated that the twp is looking to apply for LSA grants for paving and other work. Tom explained that he put estimates together for each area. Therefore we will apply for each thing individually. Brittany will have the resolutions to apply ready for the next meeting.

Engineers Report – Tom stated that he is working on getting a lighting estimate together for MMI down Centre Street. He just needs specifics from the board to finish up.

Sewer Report – nothing to report.

Solicitors Report- nothing to report.

CORRESPONDENCES – None

PUBLIC COMMENTS

Greg Capozzelli asked if thebrake retarder ordinance applies to the Highland/Eckley Area? Wilson stated that is is only for 940. Greg asked if the board can look into applying for the Highland/Eckley area. The board agreed that they will look into it.

Janet Mele had questions about the noise ordinance. Attny Favreau said that he would get the information to Brittany and she can pass it along. The board members expressed that if there are complaints regarding STR then they need to be written on a complaint form and given to the zoning officer.

Kerry Ernst wanted to know where the board stands with Ovy Trucking. Wilson explained that the conservation district and DEP found no violations . Therefore there is nothing more the twp can do. Tom explained that they were given approval in 2011 by the ZHB to have their business there.

Melissa (unknown) asked about all the oil spilling into the river. Wilson encouraged her to report it to the appropriate agencies because there is nothing the twp supervisors can do, that is above them.

Tom Bird spoke about his qualifications and proceeded to explain that he has made sure the appropriate agencies have been notified. He went on to express his concerns about environmental concerns.

ADJOURNMENT

■Motion to Adjourn made by Wilson. John seconds the motion. Roll Call was yes by all.

Respectfully Submitted,
